Talking about Feelings and You, Me and Empathy
By Jayneen Sanders

At Race At Your Pace, we want everyone to find a love for running, walking and activity. It's so important for everyone to be active, and we particularly want to inspire young people to get moving with one of our challenges!

Instant vanilla ice cream

Prep 15 mins/Serves 2

Part recipe, part science experiment 😊

Ingredients

300ml semi-skimmed milk

1 tbsp caster sugar

¼ tsp vanilla extract

1kg ice

6 tbsp rock salt

hundreds and thousands, to serve

2 medium zip-seal freezer bags

1 large zip-seal freezer bag

sticky tape

Method

1. Place the milk, sugar and vanilla into the doubled-up medium zip-seal bags. Close and secure with sticky tape if the seal isn't strong. Tip the ice and salt into the large bag, then place the smaller bags inside the larger one, and seal well.
2. You will need to keep the bags moving for 10-15 mins to freeze the milk. Gently throw the bag from hand to hand or take turns shaking it – it's a good idea to wear gloves to keep your hands warm! Remove the ice-cream bag, open and scoop into bowls. Sprinkle with hundreds & thousands.

Award a Place2Be Kindness Cup for MHA Week

The Place2Be Kindness Cups provide an opportunity to recognise the children, teachers, parents/carers and other individuals who have made a positive difference through their kindness at this challenging time.

Some ways we can start a conversation about Mental Health with a child

- You don't seem your usual self today. Would you like to talk about anything?
- You look sad/worried today. Do you want to have a chat about it/is there anything I can do to help?
- I noticed you said something earlier about how you felt when... How do you feel about it now?
